

To whom it may concern,

Founded in 1954, The Multnomah Hot Rod Council is a 501(c)(3) non-profit organization based in Portland Oregon consisting of a group of car clubs in northwest Oregon and southwest Washington.

Functions of MHRC include: Helping coordinate the automotive show scene in the Portland metropolitan area via this website and operation of the "Portland Roadster Show", one of the oldest and absolutely best roadster shows in the country. Funds generated from the show are used to provide automotive based scholarships and support many charities.

We support or sponsor many regional and charitable activities throughout the year, including our annual Angels on Wheels Toy Run for Randall Children's Hospital, our Wagon Angels program for the Children's Cancer Association held at the Portland Roadster Show, and sponsorship of the Ronald McDonald House to name a few.
